

Lexis-Nexis Search for "Katherine Albrecht"

This document contains the results of a January 2006 search of the Lexis-Nexis database for "Katherine Albrecht" (i.e., Katherine's name appears in each article). Lexis-Nexis archives only a small percentage of US and international publications, so this sample should be seen as representative, but not complete. We estimate that fewer than 20% of Katherine's print and media mentions are listed here.
